

Are you happy with your employee benefits? Your agent's service? Your current costs?

Why We Are Unique...

We are truly passionate about our results and treat each of our client's concerns as if it were our very own.

Our *award-winning client care* is unique in insurance. So is our focus on your bottom line.

Since 1950, Morris & Reynolds has specialized in providing all forms of employee benefits and insurance.

We access the entire market of insurers and advocate your concerns in order to obtain the solutions that you need and, frankly, deserve.

When we say *full service*, we really mean it.

Whether it is our unwavering premium negotiations, enrollment support, and help with your claims provider, or anything else, you can count on us to deliver results all year long. Our services are supported with the most advanced technology and unique online services found anywhere, including *MyWave!*

Contact us today and find out why we are **unique**, and how we can help you, your employees and your bottom line.
